## Female Doctor.

Mrs. HENRIETTA L. PIERCE, 7 Madison  
street, New York, has been called to  
the notice of the medical profession  
and the public by her successful  
treatment of the most obstinate  
cases of female disease. Her  
experience is of more than a  
decade, and she has cured a  
large number of cases of  
menstrual disorders, leucorrhoea,  
uterine disease, etc., etc., from  
which the most suffering women  
have been freed.
